Assessment Rolls Show Decrease in Past Year

Real Estate in Ukiah and Fort Bragg Receives Increase While Farm, Timber, Grazing and Cut-Over Lands Show Reductions

County Assessor F. W. Reynolds submitted the totals of the 1928 assessment of Mendocino county to the supervisors at their July meeting. The segregation, according to supervisoral districts is now being prepared by the county auditor and will be submitted to the supervisors at their August meeting.

The grand total this year is $24,738,478, against $26,335,306 last year, a loss of $1,596,828. This loss was caused largely by the changes made in the classifications of agricultural and grazing lands, cutover timber land and the shutting down of several big sawmills that formerly carried large stocks of manufactured lumber.

The incorporated towns in the county show an increase of about $100,000 and this is all credited to Ukiah and Fort Bragg, for Both Willits and Point Arena show a big loss. The incorporated towns have a total this year of $4,413,638. Last year Potter valley was also included in the incorporated towns and has since then disincorporated and appears this year as country property. This, added to the above, makes the showing for Ukiah and Fort Bragg much larger.

About $350,000 is being spent here this year that will never appear on the assessment roll but has given considerable employment. These items are $250,000 being spent by the state at the hospital and the annex to the courthouse.

The totals follow:

	1927	1928

Real Estate	$ 1,142,470	$ 1,143,590

WISH DISSOLUTION

The Potter Valley Ditch Company, a corporation organized by Potter valley people for the purpose of building the Potter valley irrigation ditches themselves should a bond issue not carry, have applied for dissolution as a corporation. The proposed bond issue to pay for the system carried at the late election, hence the corporation will not be necessary.

Following the meeting, the legion was joined by the ladies of the auxiliary, and the remainder of the evening was spent socially.

PLEADS GUILTY TO RECKLESS DRIVING

District Attorney Gibson returned Wednesday from Covelo, where he was called to prosecute a case of reckless driving in the justice court against Paul Foster. Foster entered a plea of guilty when the matter came up for trial and was fined $25.

It is stated Foster turned in the middle of a block in Covelo so fast that he threw out of his machine an Indian who was riding with him.

BUYS LOCAL FLOUR STOCK

Victor Ruelle is hauling flour from Ukiah to Willits. A Willits baker has purchased the stock of the Ukiah Milling Co.

The Savings Bank

Almost without exception successful men have made the Savings bank their cornerstone in money management.

To imagine that personal shrewdness in "investment" is better than the organized facilities of savings banks is like being the village blacksmith and setting up shop against United States Steel.

The management of money comes down to a few simple points.

Most of us work for our money.

At times we need extra money, often badly, for opportunities as well as emergencies.

We must be dead sure of getting it, in cash, one hundred cents on the dollar.

So far nothing has been invented to meet our requirements better than the Savings Bank.

And we don't believe anything ever will be.

Couple in Toils on Charge of Neglect

O. J. Erickson and Wife Accused of Crime Against Children

Following a hearing in the juvenile court here before Judge Preston yesterday, O. J. Erickson and his wife, Edith Erickson, of Fort Bragg, were ordered into custody by the judge and two young sons of Erickson, Irvin, aged 13, and Wilbert, aged 14, were declared wards of the juvenile court and placed in the detention home.

From the evidence adduced at the trial, it appears that the woman, who is a step-mother of the two boys, assaulted the younger with a graniteware dipper and beat him over the head, inflicting wounds which had to be sewed up by a surgeon. It is said the woman's ire was aroused because the boy pulled up a turnip in the garden at their home.

It was also brought out that on July 1 the man and woman left home and were gone a week. When they left they locked the house and left the children outside with a loaf of bread and some jam, telling them they could live on those for the week they intended to be gone. An old couch in the woodshed was left them to sleep on. Neighbors whose pity was aroused, took the children in and kept them. Erickson and his wife when they returned were notified to appear in the superior court here. Following the hearing Erickson was charged with non-support and the woman with assault.

Their bail was fixed at $1000 each, which they had not raised yesterday evening.

Prominent Fort Bragg people here in connection with the case were Mrs. Ruth Fuller, member of the juvenile committee of the county; Constable C. B. Mallory, Frank Phillips, Mrs. Lilly Phillips and O. Unselt.

Bids Authorized for Paving Local Streets

The city council at its meeting last Tuesday evening decided to go ahead with a portion of its contemplated paving program and authorized advertisements for bids for the work.

The type of paving will be asphaltic concrete with a top wearing surface of Warrenite.

The portions to be paved at this time are as follows: Stephenson from School to Main, two blocks; Seminary Ave. from Oak to State, two blocks, paved on sides with parked area in center; Scott from Pine to State, three blocks; School from Seminary to Church, three blocks, and from Smith to Henry, one block; Perkins from Oak to Wurt, ten blocks.

Curbs and gutters also will be put in on the above where there are none at present.

McCRAY'S RESORT BURNS

The McCray resort, about a mile north of Cloverdale, was destroyed by fire Thursday forenoon, the hotel, cookhouse and about twenty cottages being burned. The fire started from a defective oil stove in the kitchen. The place was recently sold by Pop McCray to Henry Little, of Fort Bragg, who is said to have paid $40,000 for it. The buildings were partially covered by insurance.

The flames spread to the hills surrounding the place and, for a time, the grass and brush fire threatened to get beyond control.

RANCHER SUED BY WOOL ASSOCIATION

The law firm of Mannon & Brazier this week filed a complaint in behalf of the Pacific Cooperative Wool Growers against Leslie Hoag, Ukiah rancher, alleging that the defendant agreed to deliver all wool produced by him to plaintiff for a certain stipulated term.

The complaint alleges that the wool was delivered in 1926, but not in 1927 nor 1928. The plaintiff seeks an accounting, costs and attorney fees.

SUES ON GRAPE CONTRACT

Big Crops Expected of Pears and Grapes

Local Railroad Anticipates 200 Carloads from this Point

Ukiah is becoming a great shipping point for both fresh pears and grapes and the prospects are that the output will be doubled within the next few years.

Last year 900 carloads of pears, 350 carloads of grapes and 28 carloads of prunes were shipped from Ukiah. Hopland led Ukiah considerably but a large portion of their pears were trucked from Lake county. They had 900 carloads of pears and 350 carloads of grapes. Calpella shipped 250 carloads of grapes.

In addition to the above, large shipments of livestock, wool, hops, wood and other products, went out of here.

The railroad officials are anticipating the shipment of at least 1,000 carloads each of pears and grapes from Ukiah this season. A large acreage of both pears and grapes have just started bearing and this will increase the shipments very materially.

MALICIOUS MISCHIEF

Someone broke into the building of the Ukiah Milling Co. this week and slashed a number of sacks of flour and feed. The deed is thought to have been the work of small boys as small barefoot tracks were found about the mill.

DANCING PARTY

A dancing party was given by Miss LaBelle Scott yesterday evening at the home of Mr. and Mrs. A. D. Scott. Dancing in the tennis court and light refreshments were enjoyed by twenty-two guests of Miss Scott.

Mrs. Mary Packer, of San Francisco, was a guest of Mrs. Greene Burke the past week.

Ukiah Products Go to Shanghai, China

About two months ago Wm. J. Mitchell of San Francisco addressed the Ukiah Rotary club on the shipment of California fruit to various portions of the world. It was a most interesting talk and the members promised him some local fruit for his next shipment. A few days ago they received a letter from Mr. Mitchell in which he stated that he would sail today for Shanghai, China, and that he had been invited to speak at the Rotary club of that city on his arrival, about August 16.

It is too early for pears so it was decided to send the fixin's for a salad. The Figone Bros. donated seven of their choicest sweet onions, the lot weighing 21 pounds. In addition to this some splendid ripe tomatoes and bell peppers were collected and shipped Thursday to Mr. Mitchell by express.

We hope the Shanghai Rotarians will enjoy their Ukiah salad.

BOY SCOUTS IN CAMP

Thirty Boy Scouts from San Francisco will arrive here today on the noon train and will establish a camp at the Levaggi ranch, about a mile southeast of town. There is a splendid "Old Swimming Hole" on the place and an abundance of shade trees and we hope the kids will have the time of their lives. The boys will be met on their arrival by a committee of the Ukiah Chamber of Commerce and taken to the camp ground.

WRECK ON HOPLAND GRADE

A freight truck en route to Hopland from Lakeport, went over the grade on the Lake county end of the highway Tuesday morning, when the steering gear cramped, and went into the gulch and turned over. The driver, Clarence Smyth, stayed with the machine. He received a cut lip and injuries of a minor nature to his shoulder and hip. The machine belonged to Lee Stoddard.

WANTS RESTRAINING ORDER

Acting in behalf of Harlan D. Ellmaker, Thomas & Thomas, Ukiah attorneys, this week filed a complaint against Amanda Houx and and others, seeking to restrain the defendants from letting their sheep and other livestock trespass on the lands of the plaintiff.

Ellmaker also asks for $100 damages.

FORMER RESIDENT HERE

Mrs. Bessie Collins, formerly Miss Bessie Hildreth, a resident of Ukiah many years ago, is visiting relatives and friends here for a few weeks.

Three Men Shot During Fort Bragg Gun Battle

Mill Employee Runs Amuck, Shoots Night Foreman and Is Fatally Wounded After Wounding Officer Slightly in Exchange of Shots

Pete Hansen, known as "Poker Pete," was shot, it is thought fatally, at Fort Bragg Thursday night by Chief of Police Earl Bishop during a gun battle with officers after he had shot Vern Moore, night foreman in the mill of the Union Lumber Co. Cliff Howard, nightwatchman for the company, had a narrow escape when a bullet from Hansen's gun grazed his head during the fight. Moore and Hansen are both in the Fort Bragg hospital. Hansen is not expected to live and Moore also is in a precarious condition, although expected to recover unless complications set in.

Hansen, who has been in the employ of the company for six or seven years, has been nursing a grudge against Moore, it is stated, on account of Moore's criticisms of his work. Thursday night when Moore returned from his home after eating his midnight lunch, Hansen waylaid him at the mill with a revolver. He shot Moore twice in the abdomen, then fled to a dark corner under a tramway in the lumber yard. Howard was notified and phoned Bishop for help to dislodge Hansen from his hiding place. The two officers by means of flashlights located Hansen, who opened fire with his revolver. It was during the exchange of bullets which followed that Howard's head was grazed. Bishop's shots struck Hansen twice, knocking him down both times. At length Hansen called out that he was out of cartridges and was brought out badly hurt. He had sustained four wounds, and powder burns around two of them lead officers to believe that he shot himself twice in an endeavor to commit suicide.

SHOWER FOR MISS IVERSEN

A miscellaneous shower was given in honor of Miss Juanita Iversen, prospective bride, Thursday evening by Mrs. R. E. Donohoe. Following a game of bridge participated in by five tables, Mrs. Sam Orr entered the room with the "Honeymoon Special," a little wagon loaded with gifts for Miss Iversen—silver, linen, dishes, etc.

The prizes at the bridge games, won by Mrs. Ben Edwards and Mrs. Ernest Ruddick, also were presented Miss Iversen by the winners.

Miss Iversen is to become the bride of Adolph Heinrichs August 18.

EUREKA LEGION TO BE GUESTS OF LOCAL POST

The members and delegates from the Eureka post of the American Legion who are en route to the state convention at Stockton will stop over night as guests of the local post. The Eureka delegation is traveling in a private motor stage coach which they have chartered from the Pickwick company.

ALMON ROTH ELECTED ROTARY VICE-PRES.

Almon Roth, former Ukiah resident, was elected at the recent assembly of Rotarians held at Minneapolis as first vice-president of Rotary.

The honor is a high one and friends of Roth will join in extending their congratulations.

Car Found Abandoned on the Willits Highway

A Ford car was left near Wool rock on the highway between this place and Willits about ten days ago. The license plates had been removed and by the time the identity of the owner had been ascertained by Traffic Officer Ryder, thieves had removed nearly everything else removable from the vehicle. There remains at the present time the chassis and the engine.

The car belongs to Reginald F. Miller, of Holmes, Calif., who, although he has been notified by the traffic officer, does not seem to be worrying. At least he has given no instructions to this writing as to what should be done with what is left of the machine.

MARRIAGE APPLICATIONS

Applications for marriage licenses were filed the past week by the following couples; Sylvan L. York, 30, and Florence Schmidt, 27, both of Los Angeles; Ernest E. Blank, 23, and Minola A. George, 22, both of Fort Bragg; Elmer R. McLaughlin, 26, of Redwood City, and Edna P. Lessenger, 26, of Ukiah; James A. Banker, 22, and Thayis E. McFarland, 18, both of Ukiah.

Boonville lodge is the youngest Odd Fellows lodge in the county and is doing as much work as all of the rest of them put together. The Odd Fellows have had plans prepared for their proposed new hall and we are informed that a reliable contractor has agreed to erect the structure for $10,000.00. The lower floor will be occupied by a branch bank of the Bank of Italy and the management has agreed to take a long lease on it. ROUND VALLEY

COVELO, July 15.—Harvesting is well under way in Round valley. The hop ranch, C. L. Hemenway and G. C. Bauer each have crews busy. The J. S. Rohrbough outfit will start up in a few days. Crops are just fair.

Supervisor J. M. Rupe and County Surveyor Ed Smith were in Round valley Saturday and Sunday looking over the roads preparatory to setting a crew of men to work removing the sharp points and otherwise improving the Covelo-Dos Rios road. Sidney Smith was to begin cross sectioning work Monday.

W. H. Ham is crowding construction work at his resort near the Eel river bridge about ten miles out of town on the new highway. Deep in the shade of some fine old oaks an open air, screened-in room is nearing completion. Water has been piped down from a spring on the hill giving a pressure which sprays the water in a wide circuit. Two fine swimming holes a hundred yards or so away are easily accessible. A dancing floor will be constructed on the open flat below the road. Tourist cabins will be constructed as rapidly as conditions permit. Trees will be set along the border of the open flat. The place is now easily accessible by the Williams valley road. It promises to be a popular resort. The proprietor hopes to be ready for service within a few weeks.

Reverend and Mrs. W. A. Grey and two little daughters just approaching the teens arrived Friday to take up their residence in Covelo. Mr. Grey is the newly elected pastor of the Baptist church. She will probably spend a part of the time taking advanced work at the University of California.

A recent note from Mrs. L. E. Ruch tells of the completion of their work at the Davis summer session. They left this week for the north. Mr. Ruch will stop for two weeks work in the foundry at the Oregon Agricultural College, while Mrs. Ruch will go on to Washington with her small son to visit a sister. She was a native daughter, born June 10, 1866. Her maiden name was Pollard. Funeral services were conducted at the home by Reverend R. M. Lippert of the Presbyterian church, in the presence of a large crowd of white and Indian friends.

Interest in the library established by the Women's Improvement club continues. There were twelve applications for books on Tuesday. A charge of five cents is made for each volume given out. Enough money has been received to pay for three new books, which have been ordered. The number of volumes contributed to date is 234. The library is open each Tuesday and Thursday from 2 to 4 p. m.

Mr. and Mrs. E. Slayton, of Santa Cruz, arrived the last of the week. Mr. Slayton will take up his duties as forest registration guard, with his station at the Phil Bauer ranch near the old bridge across Eel river.

Game Warden Earl Caldwell has been busy the past week rescuing small trout from the pools in the streams where they have been stranded by low water and planting them in the living streams. This is a highly commendable piece of conservation in keeping our trout streams populated.

State Will Restore Coast Breakwater

Project Will Make Stream Paradise for Fishermen

FORT BRAGG, July 11.—Assemblyman Chas. B. Melville of this place has just received a letter from Fred W. Links of the Department of Finance at Sacramento under the date of July 7 to the effect that funds have been set aside for the project of constructing a breakwater at the mouth of the Navarro river and the Department of Public Works have been instructed to start work on the project. The letter came in answer to a letter written under the date of June 25 to Harold E. Smith, superintendent of accounts in regards to this construction, which Mr. Melville has been interested in getting through for some time.

The breakwater at the mouth of the Navarro river, is a conservation project, as the river and its tributaries cover approximately 150 miles, making an ideal salmon and steelhead spawning grounds.

About the year 1878, the old Navarro Lumber company built a timber breakwater at the mouth of the Navarro river to allow schooners to come into their mills which were then located at the mouth of the stream. This breakwater kept the river open the year around until 1915 when it was destroyed by fire. During this time the Navarro was noted throughout the state for its excellent fishing.

Since 1915 a bar has formed across the mouth of the river which has caused it not to be open until late in the season. During some years the river has not been open only for a short period. As a result of this condition the run of salmon and steelhead has been practically blocked, to the extent that few spawners have ascended the stream, thereby depleting its natural restocking.

The Navarro river is one of the most picturesque streams along the Mendocino coast, north of the Gualala river, and many hundreds of people camp along its shores each year, and with the old conditions for salmon and steelhead fishing brought back as in days of yore it will be doubled or trebled and in fact it would be impossible to predict the possibilities for for bringing people of the coast country.

Four More Acts for Vaudeville at State

Another Excellent Program Is Promise of Management

Another top-notch vaudeville program has been obtained by the State theatre management for next Tuesday evening.

Valliere & Verdell in "Taps and and Tunes" are a comedy young couple offering a well-costumed act. Both are excellent dancers and execute some intricate and difficult dance steps in graceful and agile style. Theirs is a terpsichorean novelty of the highest grade.

Bee Eddels, Paramount Enertainer, appears in monologue and vocal offerings. A stump speech with a funny line of chatter a la socialist suffragette, is one of the strong features of this offering. The artist is a well-known KYA radio star.

The "Three K's" is an act put on by three pretty girls nicely costumed. It consists of a twelve-minute presentation of youth and pulchritude in an up-to-date singing and dancing act and a snappy revue.

Richard Walley, the Human Billiard Table, is a big time novelty offering which features some original juggling feats put over in a distinctly different way. This is one of the best acts that has been on the circuit for some time.

Leslie Crawford and Clair Smith motored to Round valley over the week end.

PAYS FINE FOR STOCK ON ROAD

It is not generally known that there is a law against allowing stock to run at large on the state highways. When an automobile runs into any kind of stock on the highway the owner of the car can collect damages from the owner of the stock.

Traffic Officer Royal Ryder arrested Abe John, Hopland, last Tuesday for allowing hogs to run at large on the highway and he was taken before Judge Clendenin and fined $25 or 25 days in jail. He paid the fine.

Several complaints had been made against John by his neighbors for the stock had become a nuisance. This is the second arrest made in this county for this offense, the other having been made near Point Arena.

ABANDONED CAR LEFT IN CREEK

A Ford coupe registered in the name of Henry Garcia of 2128 26th Ave., San Francisco, a few days ago was found where it had been run over the grade and into Longvale creek, about four miles north of Longvale. The act had been done deliberately and the driver made his getaway. Traffic Officer Ryder went up Wednesday and made an investigation. The car is presumed to have been stolen.

Duncan of Willits, and Mrs. Belle Haines of Oakland, both former residents of Ukiah, are spending their annual vacation at Santa Cruz on the sea shore, having gone down July 1, and will remain until August 6. Crockett Haines of Oakland, will join his mother and Mrs. Duncan for the last two weeks of their sojourn there, and all three will attend the annual state convention of the Christian churches which convenes July 23 to 29.

INSPECTED ROAD INTO GLENN CO.

WILLITS, July 17.—Messrs. Gordon, Will and Luther Baechtel and Wade Cook left here early last Sunday morning for the purpose of inspecting the new road between Covelo and Glenn county, returning home that night. They report the road between Round valley and the big valley as being in splendid shape and the mountain grades are as good as those of the state highway. This portion of the highway is 16 feet wide and autos can pass at any point of it. The bridges are all built of steel and concrete and it is a highway to be proud of. Considerable work will have to be done on the Glenn county end but it is now passable.

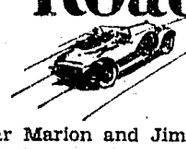
Roads to Romance
with Jack and Ethyl



Being the original letters of a young wife on her honeymoon over the Pacific Coast to the girl-friend back home.

Dear Marion and Jim:

Well, we've been in Los Angeles for a week! And Hollywood! Seen them making movies! Saw some movie stars eating lunch! Danced in the Cocoanut Grove at the Ambassador Hotel! Swam in the Pacific ocean! And so on and so on and so on.

They told us that one out of every three people who settled west of the Rocky Mountains during the past ten years settled in Los Angeles county. When they said that Jack whispered to me—"And every third one of them was a beautiful woman!" It's true, too, though if Jack would really look at them he's see that if you really look at them you discover that a lot of it is the clothes they wear. I, being a woman, have a right to that, anyway!

But what a place this is. They work down here, of course, but gee how they play, too. Just a wonderful big playground, plenty of sunshine, millions of flowers and stately palms and beautiful homes and people, people, people! We drove down to the beaches—from Santa Monica to Long Beach—and spent hours just lolling around on the sand.

I always remember Hollywood especially, though. Just like being behind the scenes, though I expect it doesn't seem very far behind the scenes for an extra girl who is out of a job. I wondered how I would feel if I were a girl just breaking in or trying to break into the movies and knew I had to compete with all the pretty girls we saw and it looked fascinating but pretty hopeless for poor little me but Jack said, like the fine husband that he is, that he would take me in preference to any of 'em and I decided that I am pretty lucky to be married and on a honeymoon with the grandest man that ever was even though he isn't a movie star.

My impressions of Los Angeles are somewhat confused because we had such a whirl of gaiety and good-time and hilarity the whole week. It's justly famous all right but it will take me a month or two to separate my impressions and get them down in order. You've just got to see it, though, to really get it though.

The Associated Oil Company people here won't give us even a hint of where we're going next. I have a hunch that we're going up north; I'll wire you when we know.

Love,
ETHYL

P. S. Yes, north it is. Jack came in to tell us. Going to Portland by aeroplane tomorrow morning. Write again soon.

The big merchandise event of the week is the shoe sale being put on from now until the last of this month by Hornbrook's Brownbilt shoe store.

Hornbrook's sales mean something, as the goods placed on sale are of the highest quality and are seasonable merchandise. It is Hornbrook's custom to clear for his fall and winter merchandise before the summer season has ended, sacrificing his goods while the season still rules rather than carry them over until after the season has ended.

The sale is being well patronized.

Mr, Hornbrook is one Ukiah merchant who advertises in the newspapers and who always gets satisfactory results thereby.

Willow Creek Crime Has Echo at Willits

Eureka Man Arrested on Charge of Complicity in Murder

WILLITS, July 17.—Sunday night Police Officer Judson Rich arrested Wm. Smith, a stranger, under instructions from the sheriff of Humboldt county. Smith is said to be implicated in the murder of the deputy sheriff that occurred up there a few days ago. He says he is not guilty. Officials state he is a member of the bootlegging and dope peddling gang that did the job.

Smith arrived here in the middle of the afternoon in a Ford coupe and immediately telephoned to a woman companion in Eureka who had just been arrested and was then in jail. The authorities learned of the telephone message and immediately swore out a warrant for his arrest and then telephoned to our local police and told them to arrest him. The Pickwick stage from Eureka arrived here about 11 o'clock and Officer Rich was watching it. Smith rushed up to meet the stage not knowing the woman had been arrested and Rich then placed him under arrest and notified the Eureka authorities. Deputy Sheriffs Conray and Hunt arrived here by auto Monday morning and took the prisoner back with them that afternoon.

Smith admits that he has been bootlegging in Eureka.

Lindell Foster and family and Mr. and Mrs. Mark York have returned from a motor trip to Yosemite valley.

Mr. and Mrs. Ernie Neuhaus and family spent the week end visiting relatives and friends at Ferndale.
